The new collections Promo 2023/2024 were born from the desire to offer authentic “Made in Italy” product lines, with high quality and design at a very low price to which, for the validity of the promotion, Gamma & Bross also adds extraordinary discounts. From the beginning we hold firm to one rule: “To produce domestically no matter the cost, without exception”, that is the only way to control quality, detail and mature excellence and professionalism. The enthusiasm and motivation of our team depends on this rule and by the certainty to have contributed to the realization of a dream that Italians have always attained through the production of prestigious products.
